## Walking with people in Addiction

**Tuesday 12th Nov.**  
**Wednesday 13th Nov.**  
**7:30-9:30 on Zoom**

Main Speaker - Dr. Rachel Turner sharing about the medical, physical and  
social reality of addiction.

Other speakers covering: first hand experience of an addict, living with an  
addict and a pastoral perspective.

Hosted by FORGE

Forge chose this training because addiction so permeates our  
culture and it has such wide reaching effects as a result. Having a  
greater understanding, ways to signpost, stories and examples of  
how to walk with those in addiction or recovery is helpful  
training to provide for the churches.

Please use the link below to book. It's free but requires booking so  
we know how many to expect on the Zoom calls each evening.

### 3 main aims of the training evenings:

- Take away fear of addiction and fear of walking with someone in addiction.
- Education of understanding the roots and signs of addictions. What are various ones?
- How can churches who are not professionals, pastorally walk with people in addiction or in recovery?

**Who can attend this training?** Everyone in the church would benefit from hearing the information and stories and would  
be pertinent to pastoral teams, outreach into communities, people leading evangelism efforts and youth teams.

Dr. Rachel Turner is a GP specialising in addictions, working for community drug and alcohol services in  
Hampshire. She is a Christian with a wide experience of various denominations. She is married to Ben  
with 3 grown up children and her interests include choral singing and a book club.
