at The Cornerstone Centre. Drawing from 8 core biblical truths the goal is to introduce a life with God that goes beyond "tip of the iceberg" spirituality, teaching us to slow down and grow a deep relationship with Jesus.

//IMPORTANT// This course is a high-commitment course. It will explore areas that may be hard or painful, so it will require a certain level of openness and vulnerability, especially in small group discussions. Along with committing to each 2-hour session, there is weekly and daily reading, so we encourage you to carefully consider whether this is the right fit for you at this time. *That being said, if you're able to dedicate the time, you will find it incredibly rewarding and won't be disappointed.* If you have any questions or want to hear more about what to expect, feel free to chat to Phil, Hannah, or anyone who has already attended the course. SKCC provides the materials at a discount of £10 per person. To register please sign up on the board in the main hall - spaces are limited but we will run the course again.

Please see overleaf for details of a ministry weekend coming up...
