Church Picnic: Sunday 18th August venue TBC

Blessing Sunday: 1st September

More information to follow

Most official mid-week meetings are now paused for the summer holidays including Connect Groups which will restart in the week beginning 9th September.

The Cornerstone Centre, building works.

We are at the commissioning phase of the new hot air system for the main auditorium. We have hit our first potential snag with this so please pray for a swift and simple resolution. Reinstatement of the meeting room won't be before 28th July and is likely to be pushed back. The next part of heating improvements to the building will be the installation of destratification fans in the auditorium which will help with heating efficiently & comfort, as well as reducing our energy use and costs.

If you are new to SKCC and would like to find out more about us and what we do please complete a 'get connected' card from the foyer and pop it in the office post box or contact the church office on **01303 251155** or hello@skcc.info
Further information is also available on the website www.skcc.info

To make a 'one-off' gift to SKCC scan the QR code here or use the Payaz machine in the main hall.
