Little Treasures has paused for the summer, but before the new term begins, the team are keen to sort out/clean the toys and equipment.

The cleaning/sorting session will take place on the morning of 12th August. Would you be willing to be part of this? If so, could you let Joyce or Alison know. Many thanks.

Most official mid-week meetings are now paused for the summer holidays including Connect Groups which will restart in the week beginning 9th September.

The Cornerstone Centre, building works.

We are at the commissioning phase of the new hot air system for the main auditorium. Following an initial snag, remedial works have been carried out this week, and the engineers now need to come back to re-test. This means that reinstatement of the meeting room has been pushed back, and we will confirm as soon as we can when this room can be used again. The next part of heating improvements to the building is the installation of destratification fans in the auditorium which will help with heating efficiently & comfort, as well as reducing our energy use and costs. This work will take place at the end of August.

*If you are new to SKCC and would like to find out more about us and what we do please complete a 'get connected' card from the foyer and pop it in the office post box or contact the church office on **01303 251155** or hello@skcc.info*

Further information is also available on the website www.skcc.info

To make a 'one-off' gift to SKCC

scan the QR code here or use the Payaz machine in the main hall.
